

NMP-610

NETWORK MEDIA PLAYER

X-86 Based Network Media Player

ViewSonic's NMP-610 X-86 based Network Media Player features Intel® 2.8GHz Core™ 2 Duo Processor and Intel X4500 AD graphics processor for powerful digital signage messaging. Connect to any display through HDMI, DVI or VGA inputs. It easily integrates into your existing network and supports a wide variety of digital display components. Display unique or consistent content on displays in your network. Remotely control, schedule and manage multiple devices from virtually anywhere within your network or the Internet. Features 80GB of local storage and the power to deliver smooth playback of up to 1080p graphics and video content.

- > Easy audio and video streaming with content-rich video and graphics
- > IP-enabled for easy, flexible device management
- > Versatile content presentation, single or multiple display zones
- > 80GB local storage and 6 USB ports
- > Lower total cost of ownership (TCO)
- > Network ready for easy installation
